No Bleed

- BLEED
- There is no bleed available at this print size for standard format print.

Page Size

- Please allow 0.25 inches clear space for the printer margin all around.
We do not recommend having borders due to shifting in the cutting process, which may cause borders to appear uneven.

SAFE ZONE

- All critical elements (text, images, graphics, logos, etc.) must be kept inside the blue box and ideally away from the blue line that indicates the safe zone.
